Now under new ownership and management and continuing with the "Quality First" Policy.

Steps are being taken to ensure adequate supplies for all Beekeepers this coming season. We would, however, ask clients to bear with us for the next month or two while we catch up on back orders and build up our stocks.

You can be assured of the supply of all your requirements this season, but please order early and give us, or our Distributing Agents, an indication when delivery is actually required.

We will be pleased to quote for any special sized equipment not mentioned in this list.

We repeat:

There will be no shortages—TRY US AND SEE
