Attn: Mr Nick Wallingford

Dear Nick,

During a conference call of five members of the National Beekeepers' Association Executive, held on the evening of Thursday 27 March 1997, a unanimous decision was made that you be requested not to accept nomination for the position of President of the National Beekeepers' Assoc at the next annual meeting of the NBA to be held during July 1997.

The five members of the executive also requested with a 3/2 majority vote, that the enclosed letter be sent to you asking that you communicate to the Industry that you will be unavailable to continue as an executive member after the 1997 annual conference of branch delegates.

These letters were sent to the executive members for their approval before I signed them on behalf of the five members.

Copy to Harry Brown

P.S. Approval received from four of the five NBA members on the conference call.
No communication received from the 5th member.
