Dear Mr Pullin,

Importation of Queen Bees

Your letter of 27 August.

You should first make written application to the Director, Horticulture Division, Wellington, for the necessary authority to import bees stating the variety (race) and the number of queen bees you wish to import, also the name and address of the breeder of the bees.

... I attach for your information a copy of the conditions which must be complied with in any case where authority is granted.

Any authority to import bees issued by this Department would be subject to a successful application for an import license from the Comptroller of Customs, Wellington.

Yours faithfully,

(T.S. Winter)

for Director, Horticulture Division.

Horticultural Superintendent,

It is our desire to import from the United States three tested Italian Queen Bees. These Queens will be bred by The Walter T. Kelley Co. of Clarkson, Kentucky whose breeding stock comes direct from the Kelley Island a Government sponsored station on lake Michigan.

Italian Queens and Bees

would your Department see fit to grant us permission to import these Queens so that we may make application for an Import Licence to the Controller of Customs.

Yours faithfully,
